Together with my husband and two teenage children we have lived, worked and played in this community for many years. We appreciate the blend of both urban and rural environments, the sense of history and the feeling of inclusiveness that Mitcham provides. Currently working within Local Government, I understand the importance of community representation and sound decision making. If elected to Council I will strive to ensure the views of my community are heard. My beliefs centre on sustainable growth and sound financial management. I also believe in a No Damn Option in Mitcham and will hard to make this a reality. Ballot Papers will be in the post the week starting Oct 20th - 25th. This is your chance to choose who you want representing you on Council. Please Vote for Me.
