

Ninna Marni, Hello to the members of the Brown Hill Creek Action Group and all other community supporters. On behalf of all members of the Kurna Nation Cultural Heritage Association Inc., we acknowledge and thank you for your passion and persistence in the protection and preservation of the Wirraparinga/Brown Hill Creek Valley.

We the Kurna Nation believe that Conservation Preservation and Protection of this Ancient Country is a responsibility and commitment for all of us Australians. We believe that if we stand together united, then there is no mountain that we can't climb and NO DAM that we can't stop.
