

Bandicoot Refuge Area

Please help to protect this endangered species.
On the spot FINES apply if dogs are off lead.

**Dogs are permitted within
the park on lead only.**

Stay on the designated trail to prevent disturbance to the species. Bandicoots forage in open grassy meadows and take shelter in thickets along Brownhill Creek.

**This track is designated for walkers,
bikes are not permitted.**

You may ride your bike in BHC solely on the road and the Yurrebilla trail.
