

The Friends of Brownhill Creek

We are volunteers who value the natural and cultural heritage of
Brownhill Creek Recreation Park (proclaimed in 1841)
Please join us in maintaining and improving the natural features of this
special place
Become a Friend of Brownhill Creek – get active and support the Friends
with your membership

What do the Friends do?

- Through well planned working bees we undertake maintenance and restoration of the native plant species along the creek and in the Park
- We develop and maintain a safe habitat for the endangered Southern Brown Bandicoot
- We look after the threatened remnant Grey Box grassy woodland that is part of the Park
- We work with school and company groups to prepare new planting sites and encourage others to adopt special areas to maintain and watch rejuvenation of the local, native plants
- **The Friends value the Natural and Cultural Heritage that is part of the Park** – we encourage the preservation and restoration of this Heritage through local and State organisations
- We help maintain the Wirraparinga Walking Trail (part of the Yurrebilla Trail) and the Shared Use Trail for walkers, bikes and horses through the length of the Park
- We assist with KESAB Clean Up Australia Day to remove rubbish from the Park
- Members have access to free Certified Training in Bush Regeneration, use of power equipment for plant maintenance, safe herbicide handling and first aid.

Park Working Bees:

Meet at the Lone Pine, **Brownhill Creek Recreation Park**, past Brownhill Creek Caravan Park, over the White Bridge, car park first on left.

Last Saturday each month (except December). Hours: 9am –12noon (flexible).
